**RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:**

**Description of apparent violations:** On May 25, 2021, the defendant submitted a urine specimen which tested and confirmed positive for marijuana and dilute. During a conversation with her officer on June 14, 2021, the defendant admitted she may have used marijuana between the dates of April 1, 2021, to May 25, 2021, but refused to either admit or deny use due to her inability to recall. Furthermore, the defendant advised she was not agreeable to participating in substance abuse treatment, as the defendant stated she is not abusing drugs.

**Description of prior violations:** The following violations were previously reported to the court:

On December 28, 2020, the defendant submitted a urine specimen which tested and confirmed positive for marijuana. Furthermore, on January 14, 2021, the defendant admitted she reused marijuana on or about December 20, 2020.

On February 3, 2021, the defendant submitted a urine specimen which tested diluted and confirmed positive for marijuana.

On March 29 and April 1, 2021, the defendant submitted a urine specimen which tested and confirmed positive for marijuana. Furthermore, the defendant admitted to the Probation Office on April 7, 2021, that she had been using synthetic marijuana (CBD Flower) for approximately two weeks. An interpretation of results performed by Alere Laboratories was unable to distinguish the presence of THC found in the defendant's urine samples to be from CBD products or marijuana use.

**Actions taken to bring the defendant into compliance were as follows:** The defendant was provided verbal and written instructions to her pretrial release conditions. The pretrial office has afforded the defendant the opportunity to participate in substance abuse treatment. The defendant was enrolled in the highest phase of Code-a-phone testing to monitor drug use. In past conversations with the pretrial office, the defendant expressed her drug use is a self-medication for past traumas. The pretrial office has encouraged the defendant to speak with counsel to modify conditions for mental health treatment so that the U.S. Probation Office can assist with payment and facilitating mental health services with contracted clinicians. The defendant denied services through the probation office and elected to receive treatment from an outside vendor on her own.

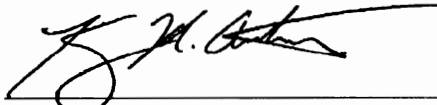

**Defendant's compliance with release conditions:** A record check revealed no new arrests.

**OFFICER'S RECOMMENDATION:**

It is respectfully requested that a summons be issued, and the defendant appear for a show-cause hearing to determine if bond should be revoked.

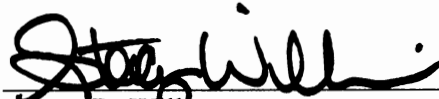

**I declare under penalty of perjury that the foregoing is true and correct.**

The U.S. Attorney's Office submits this petition to be filed with Criminal Docketing as a motion.
